Re: *United States v. Mario Powell*, 18 CR 287 (AT)

Dear Judge Torres:

The Government writes on behalf of the parties to request on a joint basis an extension of two weeks of the existing schedule for motions *in limine*. At present, any motions *in limine* are due on February 22, 2023 with any responses thereto on March 1, 2023. The final pretrial conference and trial are scheduled for March 29, 2023 at 1:40 PM and April 10, 2023 at 9:00 AM, respectively. The requested extension would therefore result in the submission of any motions *in limine* on March 8, 2023 with any responses thereto on March 15, 2023. In addition to requesting the brief extension due to recently completed and ongoing trials in which counsel for the parties have been and are engaged, the parties seek the extension in light of pending discussions over a pretrial disposition, which the parties agree may prove productive and will be able to conclude within this additional time afforded by the sought extension.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
